

deco.de

WWW.DECO.DE

At www.deco.de, we present selected ideas and brand products for every living situation and connect them to the fitting interior design professionals. With more than 4,000 images and some 500 addresses of interior design professionals, this platform is the ideal place for brand manufacturers and trade partners to showcase themselves professionally. Even a wider audience can be reached via social media extension (see page 16).

BRAND PRESENTATION

Prominent brand presentation with text, address, logo and link to interior design professionals.

Includes presentation of 6 lifestyle concepts from your business.
